ARTICLE 3

GRIEVANCE PROCEDURE

- A. A grievance shall be defined as a misinterpretation, misapplication or violation of policies, agreements, and administrative decisions which adversely affect the employee except that the term "grievance" shall not apply to any matter for which a method of review is prescribed by law.
- B. Although the complaint of a nontenure teacher that he is not granted a contract has not been subject to the provisions of this Article 3, such teacher may, if he so desires, request a meeting with the Board to discuss the situation and the Board may agree to such meeting if it so desires.
- C. Although the complaint by a certificated person occasioned by appointment to or lack of appointment to, retention in or lack of retention in any position for which tenure is either not possible or not required is not subject to the provisions of this Article 3, such certificated person may, if he so desires, request a meeting with the Superintendent to discuss the situation, and such meeting shall take place within a fifteen (15) day period of time after such request was made to the Superintendent. The Association will be notified in writing if such meeting is to be held and may participate in the discussion if the teacher so desires.
- D. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.
- E. Nothing herein contained shall be construed as limiting the right of any teacher having a grievance to discuss the matter informally with any appropriate member of the Administration, and having the grievance adjusted without the intervention of the Association, provided the adjustment is not inconsistent with terms of this Agreement and that the Association has been given the opportunity to be present at such adjustment.

F. PROCEDURE

1. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the aggrieved teacher to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step.

2. A grievance, to be instituted under the provisions of this Article, must be in writing and given to the principal within fifteen (15) school days after the grievant should have reasonably known of the event which occasioned the grievance. The principal shall consider the grievance if the principal has the authority to make the decision or if the principal has authority over the decision-maker. If the principal does not have such authority, the grievance shall be first submitted in writing at Level Three by the grievant.

3. Level One

A teacher with a grievance shall first discuss it with his immediate supervisor, the Department Supervisors, with the objective of resolving the matter informally. If the teacher is not satisfied with the decision of his immediate superior, the aggrieved person may proceed to discuss the grievance with the principal of his building, either directly or through the Association's designated representative, with the objective of resolving the matter informally.

4. Level Two

If the aggrieved person is not satisfied with the disposition of his grievance at Level One, or if no decision has been rendered within ten (10) school days after presentation of the grievance, he may file and sign the grievance in writing with the principal in compliance with subparagraph 2 of Paragraph F. of this Article 3.

5. Level Three

If the aggrieved person is not satisfied with the disposition of his grievance at Level Two, or if no decision has been rendered within ten (10) school days after presentation of the grievance at this step, he may file the grievance within five (5) school days after receipt of the disposition of the grievance by principal with the Superintendent. In the event that the principal does not have the authority to make the decision or have authority over the decision-maker the grievance shall be initiated in writing at Level Three within fifteen (15) school days after the grievant should have reasonably known of the event which occasioned the grievance.

6. Level Four

If the aggrieved person is not satisfied with the disposition of his grievance at Level Three, or if no decision has been rendered within ten (10) school days

after presentation of the grievance to the Superintendent, he may file the grievance, within five (5) school days after receipt of the disposition of the grievance by the Superintendent, with the Board through the Superintendent.

7. Level Five

The Board, or a committee thereof, shall review the grievance and shall, at the option of the Board, hold a hearing with the teacher and render a decision in writing within fifteen (15) school days after receipt of the grievance by the Superintendent for transmittal.

8. Level Six

If the aggrieved person is not satisfied with the disposition of his grievance at Level Five, the Association may, within five (5) school days after such disposition, notify the Board through the Superintendent of its intention to arbitrate the grievance. Within ten (10) school days of such written notice to the Superintendent, the Association may file a demand for arbitration with the American Arbitration Association which shall be processed under AAA's Voluntary Labor Arbitration Rules. The arbitrator shall limit himself to the issues submitted to him and shall consider nothing else. He can add nothing to nor subtract anything from the Agreement between the parties or any policy of the Board of Education. As to those grievances which involve decision of the meaning or interpretation of the language of this Agreement, the arbitrator's decision shall be final and binding on the parties. As to all other grievances covered by this Article, the arbitrator's decision shall be advisory only. Each party will bear the total cost incurred by themselves. The fees and expenses of the arbitrator are the only costs which will be shared by the two parties and such costs shall be shared equally.

9. Any party in interest may be represented at all stages of the grievance procedure by himself, or, at his option, by a representative selected or approved by the Association. When a teacher is not represented by the Association, the Association shall have the right to be present at all stages of the grievance procedure.
10. No reprisals of any kind shall be taken by either party against any party in interest, any building representatives, or any other participant in the grievance procedure by reason of such participation.

11. If, in the judgment of the Association, a grievance affects a group or class of teachers, the Association may submit such grievance in writing to the Superintendent directly, and the processing of such grievance shall be commenced at Level Three. The statement of the grievance shall identify the group or class of teachers on whose behalf the grievance is being filed by the Association.
12. All meetings and hearings under this procedure shall not be conducted in public and shall include only such parties in interest and their designated or selected representatives.
13. The parties concerned will not be limited to the number of days called for in this Article for actions on grievance handling, if written notification, at least one day before deadline, is given to the other party stating reasons for the needed delay. In no case will this delay exceed five (5) school days and may not occur at more than one level.
14. In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year and, if left unresolved until the beginning of the following school year, could result in harm to a party in interest, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.

When an employee is ill or disabled for a greater number of days than the total number of sick days that he has accumulated, the Board of Education may pay such person each day's salary less the pay of a substitute, if a substitute is employed, or the estimated cost of the employment of a substitute if none is employed, for such length of time as may be determined by the Board of Education in each individual case. A day's salary is defined as 1/200 of the annual salary.

- B. Absence resulting from required medical attention, available only during working hours, shall be covered by sick leave.
- C. Bargaining unit members newly employed after the beginning of any school year shall, at the time of employment, be credited with sick leave at the rate of one (1) day for each month or portion of a month remaining in the school year. Any portion of a month shall be considered as a full month.
- D. Other leaves of absences without pay may be granted by the Board for good reason.
- E. All requests and extensions of leaves shall be applied for in writing and granted in writing.
- F. The parties agree that there shall be payment for accumulated sick leave upon retirement under the following provisions:

1. "Retirement" is defined as applying to and qualifying for payment under T.P.A.F.
2. Sick leave days credited to an employee upon initial hire and earned in other school districts shall be deducted from the total accumulated sick leave days available for payment.
3. In order to be eligible for said payment, the employee must advise the Business Administrator in writing of his/her intention to retire at least six (6) months prior to said retirement. In the case of June 30 retirements, this written notice shall be given in advance of the January 1 prior to the retirement date. An employee who fails to give the required notice of intention to retire, shall receive said payment on the July 1st of the year following the retirement.
4. Payment shall be at the following rates:

Accumulated

For the first 100 days	\$35.00
For days 101 through 200	45.00
For days over 200	50.00

Effective July 1, 1990, days over 200 shall be reimbursed at the rate of \$55.00.

ARTICLE 10

- B. It is understood that employees shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the Board until such grievance and any effect thereof shall have been fully determined.
- C. It is understood by all parties that under the rulings of the court of New Jersey and the State Commissioner of Education, the Board is forbidden to waive any rights or powers granted by it under law.

ARTICLE 11

COST OF PRINTING

Copies of this Agreement shall be printed at the expense of the Board. The Agreement shall be presented to all teachers now employed, hereafter employed, or considered for employment by the Board.

ARTICLE 12

PROMOTIONS AND/OR JOB VACANCIES

- A. 1. Whenever a professional staff vacancy or new or temporary position is created, during the calendar year, including per hour, per diem, or per term positions, the following procedure must be followed:
 - a. A job notice describing requirements, type of position, (job description) rate of pay, terms of payment, must be posted on the teachers' bulletin boards in main office and in the faculty lounge. A copy of the posted job notice will be sent to the President of O.A.T.A. and/or his designee at the time of the job notice posting.
 - b. All notices of promotions and/or job vacancies will remain posted for no less than six (6) days.
 - c. Applications for positions and/or vacancies shall be made in writing.
 - d. All appointments are subject to final approval by the Superintendent of School and the Board of Education. Decisions of the Board are final provided the terms of Article 12 are met.
 - e. All of the provisions of Article 12 shall apply to teachers holding positions in summer school, home teaching and/or under Federal or State Programs.
 - f. It is understood that the Board has the prerogative(s) to make temporary appointments to existing positions until permanent appointments are made. If a salary or stipend for such position is specified in this Agreement, then it must be pro rata.

ARTICLE 13

EXTRA-CURRICULAR ACTIVITIES

- A. The extra-duty salaries for athletic assignments will be set forth in Exhibit "B1" and for non-athletic assignments as set forth in Exhibits "B2" and "B3" attached hereto.
 1. Experience gained as class advisor shall count whether or not it is continuous no matter in which class that experience is obtained, so long as that experience is gained at Oakcrest-Absegami.
 2. When an assistant coach at Oakcrest and Absegami is assigned to the position of Head Coach in the same sport the following formula shall be applied in determining his step on the Head Coaching salary guide:
 - a. Minimum of four (4) years' assistant coaching experience shall be counted as one (1) year's experience on head coaches' guide.
 - b. From five (5) to eight (8) years' assistant coaching experience shall be counted as two (2) years of experience on head coaches' guide.
 - c. More than eight (8) years' experience as an assistant coach shall be counted as three (3) years' experience on head coaches' guide.
 3. Payment for extra-curricular activities shall be made in the pay period which follows the conclusion of said activity as determined by the Athletic Director and/or Vice Principal and shall be included in the regular salary check issued for that period. The option to choose a 20% Federal Income Tax Rate in order to preclude excessive withholding shall be made available by the business office.
 4. When no assistant coach or assistant advisor is available (where called for), the remaining coach(es) or advisor(s) for the given activity will receive 50% of the assistant coach or assistant advisor scale at Step 0. Said monies will be divided equally by the number of remaining coaches or advisors.

The phrase "where called for" refers to the specified number of assistant coaches or advisors contained in the Athletic Salary Guides and the Extra-curricular Salary Guides. (See Sidebar Agreement, May 10, 1983).

5. a. Teachers may volunteer to assist in extracurricular activities without additional compensation as long as the "where called for" number of assistant coaches or assistant advisors is maintained as defined in A.4. above and no such work shall be performed during the activity period as defined in Article 6, D.1.e.

b. In order for paragraph a. above to be effective, the following conditions must be met:

- (1) The head coach or head advisor must approve;
- (2) The volunteer shall receive written assurance that he/she is covered by liability insurance and Workman's Compensation.
- (3) The Association shall be given written notice.

ARTICLE 14

PROTECTION OF TEACHERS

A. Corporal Punishment of Pupils

1. No person employed or engaged in a school or educational institution, whether public or private, shall inflict or cause to be inflicted corporal punishment upon a pupil attending such school or institution; but any such person may, within the scope of his employment, use and apply such amounts of force as is reasonable and necessary:

- a. to quell a disturbance, threatening physical injury to others;
- b. to obtain possession of weapons or other dangerous objects upon the person or within the control of a pupil.
- c. for the purpose of self-defense; and
- d. for the protection of persons or property and such acts, or any of them, shall not be construed to constitute corporal punishment within the meaning and intendment of this section. Every resolution, by-law, rule, ordinance, or other act or authority permitting or authorizing corporal punishment to be

inflicted upon a pupil attending a school or education institution shall be void. Reference: 18A:6-1.

2. The Board shall give full support including legal and other assistance for any assault upon the teacher while acting in the discharge of his duties. Financial support shall be limited to reasonable legal fees.
3. Whenever any teacher who is entitled to sick leave pursuant to this Agreement is absent from his post or duty as the result of personal injury caused by accident arising out of and in course of his employment, the Board of Education shall pay such teacher full salary or wages for the period of such absence beyond the period of any Workman's Compensation without having such absence charged to the annual sick leave or the accumulated sick leave provided herein. Should resultant period of absence exceed one calendar year, the teacher shall, at the request of the Board, provide medical verification of said injury. Should the teacher fail to provide such information within 15 days of the request, or should the information indicate the teacher's ability to resume his post, compensation as provided in this Article 14 shall cease. Salary payments shall be made for absence during the waiting period and during the period the teacher received or was eligible to receive temporary disability benefit under Chapter 15 of Title 34 of the Revised Statutes. Any amount of salary or wages paid or payable to the teacher pursuant to this section shall be reduced by the amount of Workmen's Compensation award made for temporary disability.
4. Teachers shall immediately report cases of assault suffered by them in connection with their employment to their principal or immediate supervisor, and to the Association.
5. Such notification shall be immediately forwarded to the Superintendent, who shall act in appropriate ways as liaison between the teacher, the police and the courts.
6. The Board shall reimburse teachers for any clothing or personal property damaged or destroyed as a result of an assault suffered by a teacher while the teacher is working in the scope of his employment. Scope of employment shall mean so long as authorized by School Board of Education and/or school administrators.
7. When, in the judgment of a teacher, a student is by his behavior seriously disrupting the instructional program

to the detriment of other students, the teacher may temporarily exclude the student from the classroom and refer him to the proper administrator.

ARTICLE 15

VOLUNTARY TRANSFERS AND REASSIGNMENTS

- A. No later than April 15th of each school year the Superintendent shall deliver to the Association and post in all school buildings a list of the known vacancies which shall occur during the following school year.
- B. Teachers who desire a change in grade and/or subject assignment or who desire to transfer to another building may file a written statement of such desire with the Superintendent no later than April 25th. Such statement shall include the grade and/or subject to which the teacher desires to be assigned and the school or schools to which he desires to be transferred, in order of preference. A new request must be submitted, in writing, each school year if the request is not granted on the initial application.
- C. As soon as practical and no later than the last day of school, the Superintendent shall post in each school and deliver to the Association the system-wide schedule listing the names of all teachers who have been reassigned or transferred and the position to which they have been appointed.
- D. When a voluntary transfer is necessary, all factors, including length of service, shall be considered by the Superintendent making the decision.

ARTICLE 16

INVOLUNTARY TRANSFERS & REASSIGNMENTS

- A. When an involuntary transfer is necessary, all factors, including length of service, shall be considered by the Superintendent making the decision.
- B. No involuntary transfer will be made after the last day of school except in an emergency (as determined by the Superintendent).

C. Notification of an involuntary transfer or reassignment and the reason therefore shall be made during a meeting between the teacher involved and his/her principal. In the event the teacher objects to the transfer or reassignment at this meeting, upon request of the teacher, the Superintendent will meet with him/her. The teacher being transferred will be placed in a position for which he/she is certified.

ARTICLE 17

SUMMER SCHOOL

A. In the summer of 1989, teachers shall be selected for summer school according to past practice.

B. 1. Beginning in 1990, a seniority list of teachers available to teach summer school shall be developed annually by April 1. This is the "Summer School Seniority List."

2. Any teacher who desires to teach in summer school shall so inform the Superintendent in writing by March 15 annually. Failure to provide such notice shall bar appointment to that year's summer school unless there is no available candidate on both the summer school seniority list under B.1. above or the District seniority list referred to in B.4. below.

3. a. Seniority is defined as service in a summer school teaching position in the District. A teacher shall be given one (1) year's credit for each year which they taught in summer school in the District beginning in 1983.

b. A teacher on the summer school seniority list may choose to not teach in summer school one (1) year without being removed from the summer school seniority list. If a teacher chooses to not teach a second year (which may or may not be consecutive with the first non-teaching year), he/she shall be removed from the summer school seniority list.

c. If a teacher on the summer school seniority list has notified the Superintendent of availability by March 15 but there are insufficient positions to employ him/her, this year will neither count toward seniority nor count as a non-working year under B.3.b. above.

4. In the event that there are more positions available than there are available teachers from the summer school seniority list, then teachers who apply for summer teaching positions by March 15 shall be appointed based upon the District seniority list.

ARTICLE 18

COMPLAINT PROCEDURE

If a written complaint against a professional employee results in a hearing, the employee will be furnished with a copy of the complaint no later than forty-eight (48) hours before such hearing. Upon request of the employee, a representative of the Association will be present to represent the employee at the hearing.

ARTICLE 19

VANDALISM TO AUTOMOBILES

- A. 1. The Board will establish a fund of \$2500 for each of the school years covered by this contract to pay for valid claims of teacher for damage to a vehicle of the teacher due to vandalism while parked at the school during the time the teacher is on school business and/or attending a school sponsored or school related function or activity held at the school or at another location such as field trips, extra-curricular activity, etc. Upon presentation of a claim and appropriate validation of such claim by a teacher to the Board of Education, the Board will reimburse to the teacher the deductible amount paid by the teacher under comprehensive insurance coverage to a maximum of the employee's deductible up to \$400.
2. C.I.E., C.O.E. and D.E. teachers shall be covered under this paragraph when traveling on school business. As with all other claims, such coverage is limited to vandalism.
- B. The Board will not be liable for such payment if the teacher's vehicle is on school property for a reason that is not related to the teacher's job.

ARTICLE 20

TEACHER ADMINISTRATION LIAISON AND INSTRUCTIONAL COUNCIL

- A. The Association shall select a Liaison and Instructional Council Committee for each school building which shall meet with the Principal at the call of either party after school, during the school year, to review and discuss local problems and practices. Meetings shall not exceed one (1) per month. Both the Association and the Principal may suggest topics for discussion.
- B. The Association's representatives which shall not be more than eleven (11) per building shall meet with the Superintendent at the call of either party during the school year to review and discuss current school problems and practices and the administration of this Agreement. Meetings shall not exceed one (1) per month.
 - 1. These meetings will take place after school, and there shall be no extra compensation for attending these meetings regardless of their length.

- B. Teachers who wish to withdraw from membership may do so only during the last thirty (30) days of the term of this Agreement.
- C. The Association agrees to save the Board harmless and defend the Board against any legal challenge to this provision.

ARTICLE 22

DURATION

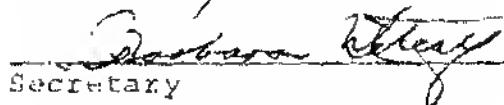

A. This Agreement shall be effective as of July 1, 1989 and shall continue in effect until June 30, 1992, subject to the Association's right to begin negotiating over a successor Agreement in accordance with Article 2 of this Agreement. This Agreement shall not be extended orally and it is expressly understood that it shall expire on the date indicated unless an extension is agreed to by both parties and expressed in writing prior to such a date.

B. IN WITNESS THEREOF, the parties hereto have caused this Agreement to be signed by their respective presidents, attested by their respective secretaries, and their corporate seals to be placed hereon, all on the day and year first above written.
